Tom Kunkle

Hal VonKugleman:

Address the Board to Propose Purchase of Professional Grade AR 400 Strength Steel Silhouette Targets. Price is \$2,386.40 Shipped. One Time expense to the club. Discussion around current rules and limitations. Bob K. Would more people be able to participate, Hal, Yes. Bob K. Although the club is about shooting, Concern with large outlay of cash,. Walt, If targets will last forever, with proper use, 4th Sunday matches will eventually recoup expense. Charles N. Believed club approved for an amount to be spent in prior years(what was the figure given for Corey to make them for the club) Walt, quote & prior vote irrelevant. Club shoot will attract more participants if properly equipt, vs using old weaker steel targets that were donated by another club. Bob K. Length of time to run shoot, can match run at a quicker pace? Could smaller targets be shot at 100 yard range? Ed Sargent ~ please clarify which ranges are open on sundays. Bob S. Normally the 100 yard range, but only one range needs to be left open.

Walt Move to purchase above targets for Club Silhouette shoot. Bill Foster 2nd. All present in favor.

Treasurer's report:

Checking

\$8,514.00

Savings

\$ 11,357.32

Ed Patterson: Request to address the board. Concerned with direction the club is heading, would like to make sure that bylaws are being followed, Stated that numerous members are breaking the rules & not being caught. With Privacy act, we cannot get information on the tag numbers, as in past years, if a club member turned in a license plate of a violator to the board, they could be suspended. Need to have a process in place. Would like to have club members wear membership cards in plain view when not at a Sunday match. Would like to see board or members be more diligent in contracting work; example painting of blue building, dealing with increase from tax collectors office, annual insurance bid, etc.

Discussion regarding club ownership of website, work still needs to be done to update it.

Sam, Bob K, John B. Would like to see membership application added, directions to range, upcoming matches, scores, by-laws, safety info, possible classified ads. Mentioned adding website to signs on the gate & in next newsletter.

John B. Motion to hire Scott Noyes (who has been posting our minutes & scores to the website for over a year on his own initiative) to update the current website. Scott will be paid ½ his hourly rate for up to 5 hours or \$200.00. Bob K. 2nd, all present in favor.

Motion to adjourn Bob K, Walt 2nd
